RE: US Patent No. 6,971,850; Issued: December 6, 2005  
Title: MULTIPLE ALLOY ROTOR AND METHOD THEREFOR

Dear Commissioner:

Two inventors were mistakenly omitted from the printed patent certificate. Correction was previously requested by the Applicants. The original Petition for Correction was denied in the Communication mailed October 19, 2005, because the written consent of the Assignee was not submitted at the time of the filing of the Petition. This was rectified by the submissions of November 23, 2005 and January 9, 2006 wherein a statement by the Assignee was submitted.

The Assignee consents to the correction of inventorship as evidenced by the previously submitted faxes. Correction is therefore respectfully requested. A Certificate of Correction is attached.

Sincerely,

  
Domenica N.S. Hartman
